

**The Great Gatsby** Here is a novel, glamorous, ironical, compassionate â€“ a marvelous fusion into unity of the curious incongruities of the life of the period â€“ which reveals a hero like no other â€“ one who could live at no other time and in no other place. But he will live as a character, we surmise, as long as the memory of any reader lasts. It is the story of this Jay Gatsby who came so mysteriously to West Egg, of his sumptuous entertainments, and of his love for Daisy Buchanan â€“ a story that ranges from pure lyrical beauty to sheer brutal realism, and is infused with a sense of the strangeness of human circumstance in a heedless universe. It is a magical, living book, blended of irony, romance, and mysticism. --back cover (first edition) ...more The Great Gatsby PDF ebook
